Grading is a formal test for our Shukokai students to exhibit Karate technique, express dojo creed, and demonstrate diligence of Karate-do.

Students must arrive 15 minutes prior to the grading start time. The grading will start at the scheduled time therefore students who arrive late will not be permitted to grade. Training Gi's must be clean, ironed and at the correct length.

The best way to approach grading is with a positive mind-set, confident energy, and effort. Mistakes do not affect assessment however a lack of karate spirit will be noticeable. The purpose of grading is for Sensei to see how each student is progressing and for the student to demonstrate their technique to the level required.

Please bring your grading card with you. Eftpos is available however no cash is held on premises.
